

Steel City Greats

After suffering a severe spinal cord injury, Ryan Shazier found medical marijuana to be a safe, natural alternative to opioids to combat pain through his recovery. He wants you to know you are not alone. There is help and there are alternative plant based therapies to help you relax through recovery and through pain.

Whether you need a sleep aid, help to ease nausea or for anxiety and depression, This line of natural products has been developed to provide relief for all potential patients suffering with chronic pain.

“Tackle any task with confidence.”

“Ya Gotta Shalieve. Positive thinking and passionate belief. That’s Shalieve.”

“Find Your Purpose and you’ll find the Champion inside.”

“Follow Your Path. It may not be the one you chose, but it can be the one that lifts you up.”

Ryan Shazier #50
